ALLENTOWN, PA, UNITED STATES,
December 10, 2025 /

EINPresswire.com/ -- As 2025 draws to a close, Mohr Marketing, LLC, is announcing a strategic initiative designed to assist personal injury law firms in maximizing their end-of-year tax savings while securing high-value [Motor Vehicle Accident](#) (MVA) cases for the upcoming year. This limited-time offer provides attorneys with the opportunity to strategically invest in their firm's future while potentially reducing their 2025 tax burden.

Car Accident Signed Cases

With the legal landscape becoming increasingly competitive, Mohr Marketing presents a unique opportunity for firms to capitalize on valuable tax deductions and establish a robust pipeline of [MVA cases](#) for 2026. The program leverages the potential for deducting marketing and lead generation expenses incurred before year-end, even for services rendered in the following year.

“

Smart firms understand that strategic investments made before the year ends can yield significant tax benefits.”

Ed Mohr

"Smart firms understand that strategic investments made before the year ends can yield significant tax benefits," stated Ed Mohr, President of Mohr Marketing. "Our end-of-year MVA program allows firms to reduce their 2025 taxable income while simultaneously building a strong foundation for growth in the new year." Mohr Marketing

encourages firms to consult with their tax advisors to determine the specific applicability of these deductions to their individual circumstances.

To further incentivize participation, Mohr Marketing is offering a compelling, time-sensitive incentive. Law firms that sign up for the exclusive MVA signed cases program before December 31, 2025, will receive 10 FREE Premium MVA Verified [Call Transfer Leads](#), a package valued at over \$7,500. This bonus provides an immediate boost to their lead generation efforts and allows them to experience the quality of Mohr Marketing's services firsthand.

Beyond the immediate incentive, Mohr Marketing is also offering wholesale pricing by cutting out middleman brokers and "fake agencies," allowing attorneys to buy directly from the source. While rising media costs will necessitate a price increase in 2026, firms that take action now can save 20% on the cost of wholesale signed cases and will be grandfathered into 2025 pricing.

Mohr Marketing distinguishes itself through data-driven results and a commitment to strict compliance. Key features of their MVA program include:

- * High-Value Claimants: Targeted campaigns designed to connect attorneys with serious injury, catastrophic injury, and commercial accident cases.
- * Live Transfers: Premium leads are pre-screened and delivered via call transfer, ensuring immediate connection with clients actively seeking representation.
- * TCPA Compliance: Strict adherence to Telephone Consumer Protection Act (TCPA) regulations and ongoing training to ensure ethical lead generation practices.
