

# Squaretalk and FinTech360 Collaborate For Enhanced Broker Communication, Security, and Global Operational Efficiency

JERUSALEM, ISRAEL, December 11, 2025 /EINPresswire.com/ -- [Squaretalk](#), a global provider of AI-driven communication software with sales automation capabilities, is happy to announce a new collaboration with [FinTech360](#), a leading end-to-end CRM and back-office provider for the forex industry. This partnership combines Squaretalk's intelligent communication suite and FinTech360's comprehensive broker ecosystem to transform the way financial organizations manage client engagement, compliance, and international growth.

The collaboration between Squaretalk and FinTech360 enhances operational reliability through protected voice communication, encrypted data flows, and compliance features that meet stringent international regulatory standards. Interaction history, call recordings, and real-time insights are seamlessly stored within FinTech360's CRM, ensuring that every client engagement is documented and audit-ready.

“

By integrating with FinTech360's CRM, we're removing technical barriers, strengthening compliance, and allowing teams to deliver consistent and quality engagement in every market they enter.”

*Isaac Levy, Squaretalk's Head of Business Development*

The click-to-call integration removes operational friction, accelerates response times, and streamlines the client journey across all touchpoints. Sales, retention, and compliance teams can now initiate secure, high-quality calls directly within FinTech360's CRM environment while accessing the financial transactions, payment activities, and gateways of leads, customers, and depositors.

“By integrating with FinTech360's CRM, we're removing technical barriers, strengthening compliance, and allowing teams to deliver consistent and quality engagement in every market

they enter,” said Squaretalk’s Head of Business Development, Isaac Levy.

The integration with FinTech360 is available to all Squaretalk customers.
