

Black Dog Junk Removal Helps Charleston Prepare for the Holiday Season With Their Holiday Home Prep Initiative

Black Dog Junk Removal expands holiday junk removal services through its Holiday Home Prep Initiative to help residents prepare for this busy season.

CHARLESTON, SC, UNITED STATES, December 9, 2025 /EINPresswire.com/ -- As the holiday season approaches, Black Dog Junk Removal has introduced a community-focused Holiday Home Prep Initiative designed to help Lowcountry residents ready their homes for guests, gatherings, and increased seasonal clutter. The initiative includes expanded scheduling, [same-day pickup availability](#), and a Holiday Home Prep Checklist for homeowners preparing for the busy months ahead.

"The holidays should be enjoyable, not stressful," said Huggins, owner of Black Dog Junk Removal. "A lot of homeowners feel overwhelmed by the stuff that piles up throughout the year. Our goal is to help people start the season fresh with a wider range of services. Whether they're hosting family, preparing to store decorations, or making space before the gift-giving begins Black Dog's ready to help"

Black Dog Reported that the most common cleanouts in November and December include:

- Garage and attic cleanouts to make room for decorations
- Guest room clearing before family arrives
- Old furniture and mattress removal from holiday sales
- Curbside pickup options for fast, no-contact removal
- Cardboard recycling and haul-away for holiday packaging
- Donation delivery for items going to local charities

Black Dog also reported that junk removal demand typically increases as the holidays draw closer, often creating scheduling bottlenecks in mid-December. Early planning, the company says, helps homeowners avoid delays and ensures that reusable items can be delivered to local charities before year-end.

“Homeowners want things tidy for guests, and businesses want clutter-free areas before the new year,” added Huggins. “We’re proud to be a reliable, local partner during one of the busiest times of the year.”

Known for its friendly crews and responsible disposal practices, the company donates and recycles whenever possible to cut down on landfill waste.
