HOT SPRINGS, AR, UNITED STATES, December 9, 2025 /EINPresswire.com/ -- In a bold step

“

This is just another way we are staying ahead of the curve. Our readers are well attuned to modern day economics and this is another way we show that.”

Dave Blaze, CEO of George Magazine

toward innovation and accessibility, [George Magazine](#) is proud to announce that beginning in two weeks, readers and customers will be able to purchase individual magazine issues and merchandise using cryptocurrency.

George Magazine will officially accept Bitcoin (BTC), Tether (USDT), and USD Coin (USDC), and possibly XRP, as payment options across its digital storefront. This expansion reflects the publication’s commitment to embracing modern financial technologies and offering readers greater flexibility in how they engage with the

brand.

“This is just another way we are staying ahead of the curve,” said Dave Blaze, CEO of George Magazine. “Our readers are well attuned to modern day economics and this is another way we show that.”

To complement this rollout, GeorgeMagazine.com now features a live crypto ticker, allowing visitors to track real-time cryptocurrency values directly from the magazine’s website. This addition underscores George Magazine’s dedication to blending editorial excellence with cutting-edge digital tools.

Looking ahead, the team is actively exploring the integration of XRP (Ripple) as an additional payment option, further broadening the scope of digital currencies available to readers and customers.

George Magazine continues to position itself as a forward thinking and innovative brand, honoring its tradition of cultural storytelling while meeting the evolving needs of its audience through modern technology.
