

# 150 Children to Receive Christmas Gifts and Meals This Week Funded Entirely by Cryptocurrency Donations

*Global \$NFGX Community Partners with Local Lions Club Volunteers to Deliver Presents and Hot Meals by December 15 with Full Public Transparency*

SAN FRANCISCO, CA, UNITED STATES, December 10, 2025 /

EINPresswire.com/ -- This week, 150 underprivileged children will receive Christmas gifts and enjoy hot holiday meals for the very first time — an initiative funded 100% through cryptocurrency donations made to the global \$NFGX token community on Solana. Between December 12 and 15, 2025, boots-on-the-ground members of a local Lions Club will personally distribute:

- Individual, age-appropriate toys and gifts (average value \$10–\$25)
- Complete hot Christmas meals for the children and their families
- Small holiday celebrations in the community

Every dollar raised in crypto is being converted and distributed by Lions Club volunteers for immediate purchasing and delivery.

Starting December 15, receipts, photos, and video of the children receiving their gifts will be posted permanently and publicly at <https://NFGXToken.com/projects> — full on-chain and real-world transparency anyone can verify.

A seven-year-old recipient (name protected) already told volunteers: "I've never had a present with my own name on it."

"This is what happens when a crypto community decides to act fast and give back," said a volunteer. "\$NFGX Community raises the money in crypto. [Lions Club members](#), trusted in their community for decades, make sure it reaches the kids. Simple, fast, and completely transparent."
