### Redefining Kitchens and Interiors with High-Quality Granite

A huge number of Raleigh homeowners are now demanding durable, elegant and functional kitchen and bathroom materials. Keeping that in mind, Urban Source Countertops is transforming how people are approaching the design and installation of stone. Granite is still among the most reliable options. It is strong, heat-resistant and has a natural uniqueness that can only come from a true stone.

The new product line, slabs, offers remodels and new construction with more than 150+ granite choices, such as light, dark, subtle, and dramatic designs. Be it designing kitchen granite countertops Raleigh, bathroom granite countertops Raleigh or complete natural stone

countertops Raleigh, every slab will be well selected, polished and sealed for durability and daily use.

Each stone is checked, cut to perfection, templated and made to the precise specifications of each project. Each stone receives a check, a perfect cut and all are templated to offer a tight fit, minimize the number of seams, and create a beautiful finish.
