

# PFB Construction Selects SocialSellinator to Expand Digital Presence and Capture Local Market Opportunities

SAN JOSE, CA, UNITED STATES,  
December 11, 2025 /

EINPresswire.com/ -- PFB Construction, a trusted provider of residential and commercial construction services, has partnered with SocialSellinator to

elevate its online presence and

improve discoverability among homeowners and businesses seeking high-quality construction solutions. The collaboration focuses on enhancing the company's website, boosting local SEO performance, and strengthening inbound lead generation.

"We're excited to work with PFB Construction as they continue to expand their footprint in the local construction market," said Katja Breitwieser, Co-Founder of SocialSellinator. "By optimizing their digital foundation and increasing visibility where their customers are searching, we're helping them unlock new opportunities for long-term growth."

Through this partnership, SocialSellinator is providing website design, development, and ongoing maintenance, along with a comprehensive Local SEO program. This includes improved Google Business Profile optimization to increase map pack rankings, on-site SEO enhancements to ensure key services appear in local searches, and strategic backlink acquisition to strengthen domain authority. The team is also implementing robust tracking for calls, clicks, and conversions, allowing PFB Construction to measure ROI more effectively and make data-driven marketing decisions.
