

REPS VR Partners with SocialSellinator to Accelerate Growth with Targeted Google Ads Campaign Strategy

SAN JOSE, CA, UNITED STATES,
December 15, 2025 /

EINPresswire.com/ -- [REPS VR](#), an innovative provider of virtual reality fitness and training experiences, has partnered with SocialSellinator to expand its market reach and connect

with high-intent users through a strategic and highly targeted Google Ads campaign. The collaboration is designed to strengthen brand visibility and drive measurable customer acquisition for the fast-growing VR technology company.

“We’re thrilled to help REPS VR reach new audiences who are actively seeking immersive and effective fitness solutions,” said Jock Breitwieser, Co-Founder of SocialSellinator. “Our PPC strategy focuses on precision targeting and continuous optimization to ensure their message gets in front of the right users at the right moment.”

SocialSellinator is leading the development, setup, and execution of a Google Ads campaign tailored to REPS VR’s unique market positioning. The effort includes deep keyword and audience research, strategic campaign structuring, and ongoing performance optimization to maximize conversions and reduce wasted ad spend. By leveraging performance data and user insights, the campaign supports REPS VR in scaling awareness and attracting more engaged, high-quality prospects.
