“This campaign is not about [politics](#)—it’s about people,” Grigoryan said in his keynote address.

“Glendale is ready for a leader who listens, who understands the architecture of a thriving city, and who is not afraid to bring bold, modern solutions to long-standing problems. Last night’s turnout showed just how many of us are ready for a new chapter.”

As an award-winning architect and founder of a leading design practice, Grigoryan brings more

than two decades of experience in city planning, infrastructure, and sustainable development.

His platform focuses on:

Sustainable and innovative development and responsible housing solutions

Strengthening and enhancing public safety

Bringing New Tax Dollars into Glendale, Without Raising the Taxes

The campaign's kickoff featured local speakers, community stories, and previews of upcoming initiatives that will be rolled out over the next several months.
