

# Life Curriculum by Charles Paul Collins Achieves #1 Spot in Three Categories on Amazon's Top 100 Best Sellers List

*Why do Harvard University, UC Berkeley, and Rotterdam University all teach a course named "Life Crafting"?*

WEST PALM BEACH, FL, UNITED STATES, December 10, 2025 /EINPresswire.com/ -- "The greatest strength of Life Curriculum is its fusion of traditional wisdom with proven systems. Charles Paul Collins's background in organizational performance management brings rigor and clarity to what is often an amorphous field of "self-help," providing you not just with inspiration but with actionable steps to enrich your life and take it in the direction you want." by Christian Sia for Readers' Favorite - 5 Stars

Available globally on [Amazon Books](#), this nonfiction personal development guide has generated significant buzz and received high praise from critics at Readers' Favorite, who describe it as "a groundbreaking guide that introduces you to a systematized approach to personal development modeled after ancient craft traditions and modern organizational excellence."

"Life Crafting" is taught in colleges and universities worldwide—including Harvard University, the University of California, Berkeley, and Erasmus University Rotterdam—and is fundamentally changing the landscape of personal development education in the twenty-first century.

More than thirty years ago, Charles Paul Collins began researching and writing on Life Crafting as a comprehensive framework for personal development. Life Crafting helps individuals understand how all aspects of their lives interconnect—akin to seeing the cover of a jigsaw puzzle box and grasping the big picture.

In addition to his highly regarded Life Crafting Masterclass, which has enrolled over 3,400 Udemy students, Collins offers the [Life Crafting Journal on Medium.com](#), and the Life Crafting Podcast on Spotify—expanding his reach and impact among lifelong learners and personal growth

communities.

### Recognition by Readers' Favorite
