What’s included in the expanded pet-friendly offering

- Easy outdoor access to local walking routes and scenic overlooks throughout the Hudson Highlands area, plus guidance to nearby green spaces suitable for leashed walks.
- Planning assistance with suggestions for outdoor dining, coffee stops with patio seating, and seasonal itineraries that work well for guests traveling with pets.

The enhancements are tailored to how many visitors now explore the Hudson Valley—shorter stays centered on art, hiking, river views, and culinary stops—with pet-friendly options available upon request. Travelers can now book select rooms that simplify early-morning walks, provide quick access to the grounds, and make load-in and load-out easy for weekend trips.
