“

I want to capture the wonder of our amazing, awful, ordinary lives; the everyday moments that make up our amazing lives.”

*Eddie Thompson*

From the playful romance of “I Like The Way You Walk” (a very fun love letter to his wife) to the laugh-out-loud diet anthem “Fatter Friends” to “Why Does Everything Hurt?” (the theme song for everyone over age 40). His “All We Really Want” is a poignant reminder that what everyone of us truly want is simply more time with the one’s we love as the album weaves smooth jazz and swinging big-band flavors into a soundtrack for real life today. “These songs

come straight from traffic jams, kitchen tables, and those 3 a.m. conversations we all have with ourselves,” says Crooner Ed. “Like my ‘Coffee Talks With Dad’ song, we sip our coffee, dream about our tomorrows and just doing our best to have meaningful, fulfilling lives.”

Amazing, Awful, Ordinary Life is available as of 12.13.25 on all major streaming platforms, including Amazon Music, Apple Music, Spotify, and everywhere music is streamed or sold. Most of these songs also have a terrific music video on his webpage and his YouTube channel.
