

Refined Serenity by Jeremy Tung Wins Silver in A' Interior Design Awards

Jeremy Tung's Exceptional Reception Center Design Recognized for Excellence in Interior Space and Exhibition Design Category

COMOC, CO, ITALY, December 11, 2025 /EINPresswire.com/ -- The A' Design Award, a highly prestigious recognition in the field of [interior](#) design, has announced Refined Serenity by [Jeremy Tung](#) as a Silver winner in the Interior Space and Exhibition Design category. This esteemed award celebrates the exceptional design and innovation demonstrated in Tung's reception center project, positioning it among the best in the industry.

Refined Serenity's recognition holds significance not only for Jeremy Tung but also for the broader interior design community and potential clients. The design aligns with current trends emphasizing functionality, comfort, and aesthetic appeal in reception spaces. By showcasing innovative solutions and attention to detail, Refined Serenity sets a high standard for reception center design, offering practical benefits for users and stakeholders alike.

What sets Refined Serenity apart is its masterful balance of stability and flexibility. The exterior features a structured black and white facade complemented by a softened, landscaped courtyard. Inside, carefully selected materials like wood, fabric, stone, and metal create a comfortable yet refined atmosphere. The space is intelligently zoned for function, with a welcoming coffee bar, a discreet negotiation area, and an exhibition space to showcase multiple real estate projects.

The Silver A' Design Award for Refined Serenity serves as a motivator for Jeremy Tung and his

team to continue pushing boundaries and exploring innovative design solutions. This recognition validates their approach and may inspire future projects that similarly elevate the reception center experience. By setting a high bar, Refined Serenity contributes to advancing interior design standards and practices.
