

# Keah & Reggie Germany Featured on Next Level CEO

FL, UNITED STATES, December 11, 2025 /EINPresswire.com/ -- Keah and Reggie Germany, former high school teacher and Ohio State/Buffalo Bills football player turned multi-unit Crumbl Cookies franchise owners, are set to appear on Next Level CEO, where they share how faith, risk, and courage turned a box of cookies into a purpose-filled family business and platform for impact.

Next Level CEO is a high-impact educational series hosted by Daymond John, designed to spotlight elite entrepreneurs, industry leaders, and top performers who have built powerful brands and created meaningful impact. The series gives viewers a rare inside look at real strategies, mindsets, and leadership lessons from those who have actually built lasting success. Each episode highlights a CEO's story and expertise, revealing the moves that drive influence, growth, and modern business excellence. You can find out more about the show by visiting their website.

In their episode, the Germanys explore what it really looks like to walk away from "safe" careers, bet on their own vision, and navigate the chaos of launching multiple stores while raising a family. They break down how leading with faith over fear, embracing discomfort, and staying committed to community can create both profit and purpose.

"Sometimes saying yes to yourself is the bravest thing you can do," said Reggie.

Keah and Reggie's episode will be available soon on Inside Success Network through their distribution platforms. In the meantime, you can find out more by visiting <https://cast.nextlevelceotv.com/keah-and-reggie-germany>.
