Project Completed

[Chad Fisher Construction](#) is excited to share that Cedar Home #2 for New Earth Recovery is officially finished. This was a meaningful build for our crew, and we're grateful to help create a home that will offer comfort and stability for those in recovery.

An open house will be held on Friday, December 12th, inviting guests, partners, and community members to celebrate this milestone and tour the completed home.

Project Overview

Cedar Home #2 is a 2,821 sq. ft. residence designed to offer comfort, functionality, and space for group living. The layout includes:
Main Floor – 1,456 sq. ft.
Living Room
Dining Room
Office
