sportsmanship, and following big dreams.

“This journey was inspired by my own experience visiting all 30 Major League stadiums with my family,” said Janover. “I wanted to write a story that celebrates baseball as more than a game — it’s about the places you go, the people you share it with, and the memories that stay with you forever.”

With vivid illustrations, engaging storytelling, and a message rooted in family and adventure, Lenny’s Big Baseball Road Trip encourages young readers to dream big, explore new places, and cherish time spent with loved ones.
