

Kdu Campus Center by Atelier Meme Wins Silver in A' Architecture Awards

*Atelier Meme's Kdu Campus Center
Recognized for Excellence in Architecture,
Building and Structure Design*

COMO, CO, ITALY, December 15, 2025 /EINPresswire.com/ -- The A' Design Award, a highly respected recognition in the field of [architecture](#) design, has announced [Atelier Meme](#)'s Kdu Campus Center as a Silver Award winner in the Architecture, Building and Structure Design category. This prestigious accolade highlights the significance of the Kdu Campus Center within the architecture industry, positioning it as a notable example of innovative and functional design.

The Kdu Campus Center's recognition by the A' Architecture, Building and Structure Design Award underscores its relevance to current trends and needs within the architecture industry. The design aligns with and advances industry standards and practices, offering practical benefits for users, stakeholders, and the broader community. The campus center's innovative approach to merging functional spaces with communal areas under a distinctive, cloud-like roof demonstrates its utility and forward-thinking design.

What sets the Kdu Campus Center apart is its unique blend of classic and contemporary elements. The concrete frame provides a sturdy foundation, while the expansive roof creates a diverse and engaging spatial experience. The integrated landscaping softens the boundaries between the campus and the adjacent park, fostering a vibrant and welcoming environment. The design's focus on revitalizing campus life and encouraging community engagement positions it as a dynamic hub for various activities.

Kdu Campus Center

The Silver A' Architecture, Building and Structure Design Award serves as a testament to Atelier Meme's commitment to excellence and innovation. This recognition will undoubtedly inspire the firm to continue exploring new avenues in design, pushing the boundaries of what is possible in educational architecture. The award also motivates the team to maintain their dedication to creating spaces that positively impact the lives of students, staff, and the wider community.

Kdu Campus Center was designed by a talented team at Atelier Meme, including Atsuyuki Yagi, Hiroyuki Kurashima, Jiaxin Li, Keita Yanagisawa, and Masaki Okuno. Their collective expertise and vision were instrumental in bringing this remarkable project to life.

About Atelier Meme

Atelier MEME operates under the theme of "gentle architecture," focusing on the role of architecture in contemporary society. The practice aims to create spaces that soothe the mind and allow for adaptability, encouraging vibrant community connections and fostering cultural engagement. The design team promotes a renewed perception of architecture and its surrounding environments as integral elements of social infrastructure, with a significant focus on educational projects spanning universities, vocational schools, and kindergartens.

About Silver A' Design Award

The Silver A' Design Award recognizes top-tier designs that exemplify excellence and innovation in the Architecture, Building and Structure Design category. Recipients are acknowledged for their contributions to raising industry standards and advancing design practices through their mastery of innovative use of space, structural integrity, aesthetic appeal, environmental impact, functional efficiency, material selection, technological integration, social relevance, cultural sensitivity, economic viability, design originality, user comfort, energy efficiency, adaptability to change, use of natural light, spatial harmony, safety measures, accessibility considerations, resilience to weather, and integration with surroundings. The rigorous selection process involves blind peer review by an expert jury panel of design professionals, industry leaders, journalists, and academics, ensuring winning designs meet the highest standards.

About A' Design Award

The A' Design Award is an international, juried design competition organized annually since 2008 across all industries, welcoming entries from all countries. The A' Architecture, Building and Structure Design Award celebrates visionary architects, engineering firms, construction companies, and influential brands who demonstrate superior architecture and structure design skills. By participating, entrants gain global recognition, contribute to advancing the field, and inspire future trends. The ultimate aim of the A' Design Award is to recognize and promote outstanding products and projects that benefit society and help create a better world through the power of good design.
