"Very professional service from start to finish. Brenton was reliable, friendly, and delivered high-quality results. Definitely recommend One Love Home Services for any project."

"One Love Home Services was fantastic! Highly professional, hard-working, friendly, and consistent. We had bad water damage in our basement, and One Love Home Services fixed it up and made it look phenomenal. I'm still in love with the new bookshelves! They also re-did our back deck, which is now perfect for Okanagan summers. Would definitely recommend!"

"Brenton did a great job of landscaping. Last summer he did half my yard and I was very happy so this year I had him do the other half. I am very pleased with the work and the overall appearance of my new yard. Brenton is a hard worker and listened to my input. The service was great and Brenton came back after and pressure washed the driveway and left everything clean. I will have him do any additional work I need done in the future. I recommend this business."

"My company required some work be completed for a very important client in the Kelowna area and I feel very fortunate to have found this company. Our project was completed, on time and on budget, with a minimum of input from our side. We will use this company without hesitation moving forward!"

The One Love Home Services team consistently goes above and beyond to ensure outstanding project results for every client.
