Founded in July 2024 by interior designer Ariana Adireh Anderson, ARIID Home & Furniture addresses the growing demand for accessible luxury furnishings in the Seattle metropolitan area. Located at 1018 Market Street in Kirkland, features meticulously selected pieces ranging from contemporary sofas and sectionals to elegant dining sets and bedroom furniture.

"The vision behind ARIID Home & Furniture is to make exceptional luxury furnishings accessible to everyone," said Ariana Adireh Anderson, founder and CEO. "Every piece in the collection is selected for both aesthetic appeal and functionality, ensuring homeowners can create spaces that reflect their personality while offering lasting value."

Integrated Design-Build-Furnish Experience

ARIID Home & Furniture operates as part of The ARIID Group ecosystem, which includes Ariana Designs & Interiors for full-service interior design and ARIID Build for construction and remodeling. This integration enables clients to experience a seamless journey from architectural planning through final furniture installation, eliminating the typical coordination challenges of working with multiple vendors.

The company's collaborative approach pairs interior designers with clients to ensure furniture selections complement existing architectural elements, lighting design, and material choices. Each piece undergoes rigorous quality assessment to meet standards for durability and craftsmanship.

Responding to Market Demand

The launch comes as the luxury furniture market experiences significant growth, with projections indicating expansion to \$43.14 billion by 2030, driven by increased investments in premium residential developments and consumer preference for customized aesthetics. The Pacific Northwest region has seen particular demand for high-end furnishings as homeowners seek to elevate living spaces with design-rich, sustainable interiors.

“

Every space tells a story. Our role is to ensure the furniture you choose reflects your personality while offering lasting value and exceptional craftsmanship for years to come.”
