

# Crumbl Announces New Headquarters Location

LINDON, UT, UNITED STATES,  
December 15, 2025 /

EINPresswire.com/ -- As part of Crumbl's continued growth, Headquarters is moving into a new, larger building designed to give our teams more space to innovate, create, and support the next chapter of the brand's expansion. This move reflects momentum.

With nearly 1,200 stores across the United States, Canada, and Puerto Rico, Crumbl remains one of the fastest-growing and most beloved bakery franchise brands. Crumbl's footprint continues to expand, with international growth on the horizon.

“

This move allows our teams to experiment, create, and refine what's next for the brand, while remaining fully operational and focused on delivering an exceptional customer experience,”

“As Crumbl continues to grow, expanding our headquarters gives us the space we need to innovate at a higher level — especially within our test kitchen,” said Sawyer Hemsley, Crumbl's Co-Founder. “This move allows our teams to experiment, create, and refine what's next for the brand, while remaining fully operational and focused on delivering an exceptional customer experience.”

The move to the new headquarters location will happen early 2026. All Crumbl stores are open and serving fresh

desserts, teams are hard at work supporting franchise partners, and the focus remains on bringing friends and family together over the best desserts in the world.
