

# The Breaking of Time by J.J. Hebert Earns BookLife Editor's Pick Distinction from Publishers Weekly Division

*Critically Acclaimed Novel Praised for Its Emotional Depth, World-Building, and Exploration of Family and Responsibility*

LOS ANGELES, CA, UNITED STATES,  
December 16, 2025 /

EINPresswire.com/ -- [The Breaking of Time: Chronicles of the Arvynth](#), the acclaimed novel by USA Today bestselling author J.J. Hebert, has received a [favorable review from BookLife](#), a respected division of Publishers Weekly, and has been officially selected as a BookLife Editor's Pick—a designation reserved for titles that stand out for exceptional quality, originality, and impact.

Review from Booklife/Publishers Weekly

In its review, BookLife praised *The Breaking of Time: Chronicles of the Arvynth* for its layered storytelling and emotional resonance, writing:

“

Hebert's storytelling is immersive, with vivid descriptions that bring the characters and their world to life”

*Booklife/Publishers Weekly*

“The *Breaking of Time* is meticulously crafted to explore themes of love, loss, redemption, and the struggle to balance personal desires with greater responsibilities. Hebert's storytelling is immersive, with vivid descriptions that bring the characters and their world to life ... Fans who relish detailed introspection and expansive world building will be rewarded by Hebert's skillful exploration of

humanity's resilience and the power of connection. Daniel's journey is both astonishing and relatable, making this a compelling read that centers family against escapism and challenges the boundaries between the extraordinary and the ordinary.”

BookLife Editor's Picks represent a curated selection of the strongest submissions reviewed by

BookLife editors. Only a small percentage of titles earn this distinction, which highlights books that demonstrate outstanding craftsmanship, a compelling narrative voice, and strong market appeal. Editor's Picks receive prominent placement and added visibility among industry professionals, librarians, reviewers, and readers.

The Breaking of Time: Chronicles of the Arvynth follows Daniel Ward, a man leading an outwardly ordinary life while concealing an extraordinary truth—one that forces him to confront the cost of power, the fragility of family, and the consequences of defying forces far older than himself. Blending emotional intimacy with high-stakes speculative elements, the novel explores how love and responsibility collide when the extraordinary intrudes upon the everyday.

This latest recognition from BookLife further establishes The Breaking of Time: Chronicles of the Arvynth as a standout work in contemporary speculative fiction and underscores J.J. Hebert's reputation for emotionally driven, thought-provoking storytelling.
