

# POA and Originals Launch 'POA × Originals' Limited-Edition Hat Collaboration

*First-Ever POA Collaboration Celebrates Los Angeles Culture, Craftsmanship, and Community*

LOS ANGELES, CA, UNITED STATES,  
December 16, 2025 /

EINPresswire.com/ -- POA (Piece of Art) and Originals proudly announce the release of POA × Originals, a limited-edition collaboration hat that brings together two Los Angeles-born brands in a single, intentionally designed piece. Limited to only 200 units worldwide across all platforms and retail partners, the drop is set to become a highly sought-after collectible for supporters of both brands and LA culture.

The POA × Originals hat is a one-style, limited-run design that fuses the visual identity, storytelling, and attitude of both brands. Every detail was thoughtfully crafted to serve as a shared symbol for the communities that have supported POA and Originals from the beginning—representing pride, authenticity, and connection to the city.

## A Milestone Collaboration for POA

This release marks POA's first official collaboration, blending two LA-rooted identities into a cohesive and meaningful product. Unlike previous standalone releases, POA × Originals reflects shared brand DNA and collective storytelling, resulting in a collaboration that feels genuine, intentional, and community-driven.

"This drop is more than just a hat; it's a reflection of where we come from and who we create for," said Sergio Machado, Co-Founder of POA. "Partnering with Originals made sense because

we both speak to the same city, the same energy, and the same people. We wanted to build something that feels like it belongs to the community as much as it belongs to us.”
