

their only means of transportation in a crash.

The "Let's Give Them a LYFT" program is made possible through the generous donations of supporters. Anyone can donate \$50.00 or more to AUADD, and the funds will go towards paying for

LYFT rides for victims. For every \$50.00, AUADD states they can typically get a family of four (depending on distance and time of day) to work, a doctor's appointment, and or school in a given day. This is a great opportunity for individuals and businesses to make a tangible impact on the lives of those who have been through a traumatic car crash. By donating to AUADD,

supporters are not only helping victims get to their destinations but also promoting safe driving practices and raising awareness about the devastating consequences of destructive driving.

AUADD is excited to partner with LYFT to provide this much-needed assistance to victims of car crashes. The "Let's Give Them a LYFT" program is a testament to the organization's commitment to making a positive difference in the lives of those affected by destructive driving. To learn more about AUADD and how to donate to the "Let's Give Them a LYFT" program, please visit their website at
