

Luke Careccia Featured on Next Level CEO

FL, UNITED STATES, December 18, 2025 /EINPresswire.com/ -- Luke Careccia, founder of Thrive Real Estate, is set to appear on Next Level CEO, where he shares how a journey from heartbreak to high performance can turn pain into purpose—and inspire a generation that's lost hope to rise, rebuild, and believe again.

Next Level CEO is a high-impact educational series hosted by Daymond John, designed to spotlight elite entrepreneurs, industry leaders, and top performers who have built powerful brands and created meaningful impact. The series gives viewers a rare inside look at real strategies, mindsets, and leadership lessons from those who have actually built lasting success. Each episode highlights a CEO's story and expertise, revealing the moves that drive influence, growth, and modern business excellence. You can find out more about the show by visiting their website.

In his episode, Careccia explores how losing his father as a teen—and rebuilding from door-to-door sales and setbacks—became the fire behind a self-made rise in real estate. He breaks down how resilience, disciplined action, and leading with empathy can help distressed homeowners find solutions, and help new investors create real momentum even when they feel behind or hopeless.

"Have your actions meet your ambitions," said Careccia.

Luke's episode will be available soon on Inside Success Network through their distribution platforms. In the meantime, you can find out more by visiting <https://cast.nextlevelceotv.com/luke-careccia>.
