

# Corporater Receives Recognition in Global GRC Platforms Landscape Report

STAVANGER, ROGALAND, NORWAY,  
December 22, 2025 /

EINPresswire.com/ -- Corporater is proud to be recognized in Forrester's [The Governance, Risk, And Compliance Platforms Landscape, Q4 2025](#), that

provides Forrester's overview of 30 vendors in the [GRC](#) platform space.

Corporater believes its recognition reflects its continued commitment to

supporting clients as they navigate evolving risk and compliance

challenges. The platform integrates objectives tracking to align GRC

activities with strategic goals and performance priorities, while seamlessly interconnecting people, processes, tools, and data. This enables organizations to strengthen transparency, enhance accountability, and build a more resilient culture across all levels.

GPRC, Corporater*

Corporater can enable a true, holistic enterprise-wide GRC program that delivers value across every layer of the organization, from stand-alone solutions to fully customized, integrated, performance-driven GRC programs across the organization. From risk identification to automated control mapping, testing, analytics, audits, and more intelligent workflows, Corporater also empowers clients to augment the GRC program with AI for greater efficiency, accuracy, and deeper insights.

The report outlines both core and extended GRC platform use cases, detailing the key functionalities associated with each. The report serves as an authoritative snapshot of the

GRC environment, helping buyers understand differences between providers and guiding informed decision-making when selecting GRC technology partners.

“For Corporater, being recognized in Forrester’s Governance, Risk, and Compliance Platforms Landscape underscores Corporater’s credibility and growing influence in the GRC market. It confirms, in our opinion, the strength of our platform’s integrated approach to governance, performance, risk, and compliance ([GPRC](#)) and reinforces our value proposition to current and future customers. We feel this recognition signals to the market that Corporater is a leading contender among GRC solution providers in an increasingly crowded market,” said Owe Lie-Bjelland, Director of GPRC at Corporater.
