Ed [Gumbrecht](#) closes out the year with a new single release, "[Happy New Year Anyway](#)," arriving New Year's Eve on all major streaming platforms — just in time for the annual moment between endings and beginnings.

"Happy New Year Anyway" leans into the subtle truths of the season: a mix of relief, gratitude, hope, and unresolved feelings. The song acknowledges that not every year ends neatly — and not every listener arrives at January 1st feeling victorious.

With uniquely crafted guitar, piano and vocal refrains, and built on Gumbrecht's signature blend of folk, indie, and rock influences, the track balances warmth with honesty, offering a message that feels both personal and universal. It's a song for listeners taking stock, letting go, or simply raising a glass despite it all.

"Here's a quiet celebration of the year behind us, and an expectant look at what looms ahead" says Gumbrecht.

"Happy New Year Anyway" continues Gumbrecht's tradition of releasing music that values storytelling and emotional resonance with lyrical and melodic clarity. The single fits naturally alongside his growing catalog of reflective, human-scale songs that reward close listening. This is

The track is available now on Spotify, Apple Music, and all major streaming services.
