“

I am incredibly proud of our team for their professionalism, discipline & composure throughout this operation. Our personnel performed exactly as trained and focused on maintaining a safe environment.”

Axios Security Group CEO

[Axios Security Group](#) was contracted to provide professional security services for the event, with a focus on maintaining order, situational awareness, and public safety throughout the demonstration.

The operation concluded without incident. To Axios Security Group’s knowledge, all participants were able to exercise their rights peacefully, and the crowd dispersed safely at the conclusion of the event.

Axios Security Group also extended its appreciation to the Plano Police Department for their professionalism, coordination, and effective area control during the event.

“Our goal is always to support public safety while respecting lawful assembly,” said a spokesperson for the Plano Police Department. “The coordination between our officers and Axios Security Group contributed to a calm, orderly event and a safe outcome for everyone involved.”

The successful operation highlights how professional private security and law enforcement can work in parallel, reinforcing public safety during high-visibility events while respecting constitutional rights and community concerns.
