

Access Fixtures Announces The BABA Qualified Light Fixtures for 2026

Access Fixtures' best BABA-qualified light fixtures for 2026, delivering durable, energy-efficient, US-made illumination for municipal and public projects.

WORCESTER, MA, UNITED STATES, January 9, 2026 /EINPresswire.com/ -- Access Fixtures, a leader in commercial, industrial, and sports LED lighting, announces its Best BABA Qualified Lighting Fixtures for 2026. Choosing lighting for public spaces, parks, roadways, or federally funded projects requires compliance with the Build America Buy America (BABA) Act. The top-rated BABA-qualified lighting combines American manufacturing, advanced LED performance, and timeless design to meet both aesthetic and technical requirements. Access Fixtures highlights three leading fixtures, SWIS, BOST, and TEME, that deliver durability, style, and long-term performance for 2026.

What is the Top Rated BABA Qualified LED Post Top Light for 2026?

[SWIS Classic European Style Post-Top Light](#) elevates outdoor spaces. Available in multiple wattages (10W to 60W), SWIS delivers a perfect blend of historic elegance and modern LED performance. Ideal for parks, pathways, streetscapes, and landscapes, SWIS is BABA Qualified Lighting, proudly designed and manufactured in the USA. It is built-to-order with choices for Kelvin temperature, lenses, wattages, and optics. SWIS features decorative aluminum housing, ETL listing for wet locations, and an L70 rating of 100,000 hours, ensuring long-term performance with minimal maintenance.

What is the Top Rated BABA Qualified LED Bollard Light for 2026?

[BOST Classic Bostonian Style Bollard Light](#) offers versatile outdoor lighting for pathways, landscapes, and architectural settings. Wattage options include 10W, 19W, and 28W, and the fixture is available as post-tops, wall packs, or pendants, allowing for a cohesive lighting strategy across facilities. Crafted from die-cast aluminum, BOST combines classic elegance with modern durability and LED performance. With an L70 rating of 187,000 hours, BOST delivers long-lasting, maintenance-free illumination. BOST includes IP66-rated sealing, vandal-resistant lenses, and a 5-year limited warranty, offering reliable performance in demanding outdoor environments.

What is the Top Rated BABA Qualified LED Wall Pack for 2026?

“

Access Fixtures’ 2026 BABA-qualified fixtures deliver durable, efficient illumination with timeless design, ensuring reliable performance for municipal, commercial, and federally funded projects.”

Steven Rothschild, CEO

[TEME LED Lantern Style Wall Pack Light](#) combines lantern-inspired design with a modern aesthetic, suitable for building facades, entries, and exterior architectural lighting. Wattages range from 10W to 60W, providing flexible illumination. TEME is fully customizable with multiple wattages, optics, finishes, and Kelvin temperature options. It is available in wall mounts, post-tops, and pendants, ensuring a consistent lighting design. TEME features an L70 rating of 225,000 hours, IP66 protection, and a durable powder-coated finish for long-term, low-maintenance performance. Manufactured in the USA and

BABA qualified, TEME offers exceptional durability and reliable performance.

“The best BABA-qualified lighting fixtures for 2026 combine precision engineering with advanced LED technology, offering superior performance and longevity. Each fixture is tailored to meet specific application demands while prioritizing energy efficiency and sustainability, setting them apart in 2026,” said Access Fixtures’ CEO, Steven Rothschild.

This collection showcases integrated features like American manufacturing and BABA compliance, IP66 durability, cohesive product families, and EXTREME-LIFE longevity up to L70 @ 225,000 hours. These fixtures deliver dependable, energy-efficient illumination for municipal, commercial, and public projects requiring US-made compliance.
