

# From Corporate Innovation to Athletic Excellence: Celebrating Visionaries Driving Transformation in Diverse Fields

NEW YORK, NY, UNITED STATES,

December 22, 2025 /

EINPresswire.com/ -- Dr. Thousif Pasha is a visionary entrepreneur and dedicated social activist whose influence extends far beyond traditional business boundaries. As Chairman of Business Infinite Ventures, he is a powerful example of purpose-driven entrepreneurship—where business becomes a meaningful instrument for social change. Pasha is a visionary entrepreneur and

dedicated social activist whose influence extends far beyond traditional business boundaries. As a leader in construction and real estate across India and the UAE, he exemplifies purpose-driven entrepreneurship—where business serves as a powerful instrument for sustainable development and social change. Born in India and enriched by diverse experiences in the UAE and the Middle East, Dr. Pasha's remarkable journey is rooted in resilience, empathy, and a deep sense of social responsibility. Dr. Pasha has played a key role in the global distribution of medical and healthcare products, as well as successfully led ventures in the fintech, food business, real estate, and consulting sectors. His ethical approach and innovative mindset—particularly in leveraging AI-powered solutions—prioritize social welfare, sustainability, and long-term impact, with a particular emphasis on construction and real estate projects that foster economic development in India and the UAE. Deeply committed to social empowerment, Dr. Pasha actively provides free legal guidance to startups and underrepresented entrepreneurs, ensuring them access to mentorship, financial literacy, and growth opportunities. His ability to transform challenges into opportunities has positively impacted countless lives and emerging businesses. In the construction and real estate sector, he supports environmentally friendly and community-focused projects in Dubai and India, balancing rapid development with environmental responsibility and building sustainable infrastructure that benefits local communities. Additionally, his global food trade initiatives address nutritional deficiencies and strive to enhance the quality of life in the regions. As Vice President of the International Anti-Corruption Forum, Dr. Pasha is steadfast in promoting ethical governance and transparent business

practices. His contributions have been widely recognized with numerous honors, including a Diamond Medal and an Honorary Doctorate in Malaysia, honoring his leadership, innovation, and social advocacy. Dr.Thousif Pasha's remarkable journey stands as a beacon of inspiration—illustrating that entrepreneurship, particularly in construction and real estate in India and the UAE, when guided by ethics and compassion, can drive meaningful global change. His recent recognition as Guest of Honor at the International Prime Awards – Global Edition 2025 in Dubai further demonstrates his growing global influence among changemakers. Through unwavering dedication, ethical leadership, and a vision for social justice, Dr.Thousif Pasha is leaving a lasting legacy—proving that business, especially in construction and real estate, when done with purpose, can truly change the world.

This recognizes Mr. Naim Akthar's outstanding journey as a pioneering entrepreneur and logistics expert. With over two decades of experience, he successfully transformed Shine Logistics from a modest startup into a leading integrated ground transportation provider in South India. His visionary leadership, operational excellence, and commitment to a people-first approach have enabled the company to grow significantly, employing 75 full-time staff and supporting over 500 driver partners. Naim's strategic insight into supply chain challenges and innovative business practices have earned Shine Logistics a reputation for reliability, transparency, and superior client service. This award highlights his remarkable contributions to advancing logistics solutions, empowering his team and partners, and exemplifying ethical and impactful leadership in the industry.

This award recognizes Mohammed Aqib Jawad as a highly talented and dedicated young cricketer who has demonstrated exceptional skill and leadership early in his career. His selection in elite state and national probables, including the Ranji Trophy, Syed Mushtaq Ali Trophy, and Vijay Hazare Trophy, underlines his growing reputation and potential at higher levels of the sport. This award celebrates his promising future, recognizing him as a rising cricket star poised to make a significant impact in the cricketing world. We wish him all the best for his future endeavour as a rising cricketer.

Mr. Naval Kishore stands out as a seasoned business leader with a distinguished career shaped across the UAE and Russia. With more than three decades of wide-ranging experience, he has successfully steered ventures in FMCG, real estate, textiles, and trading, earning a reputation for both strategic clarity and grounded decision-making. His ability to read markets with precision, identify emerging opportunities, and translate insights into sustainable growth has positioned him as a trusted figure among industry peers. Throughout his journey, Mr. Kishore has

demonstrated a rare balance of vision and execution. He is equally comfortable shaping long-term strategy as he is managing operational realities, enabling him to guide organizations through phases of expansion, consolidation, and challenging market conditions. His strong industry network, coupled with his disciplined, value-driven approach, has supported the steady scaling of multiple ventures across diverse sectors.

Beyond his business achievements, Mr. Kishore is known for his integrity, resilience, and commitment to ethical leadership. His career reflects not just professional success, but also a deep belief in building enterprises that create meaningful, long-term impact. Today, he continues to inspire teams and stakeholders alike, setting benchmarks in leadership, adaptability, and sustainable business growth.

Prof. Dr. Mayank honoured with this award in recognition of his transformative impact on respiratory medicine across the UAE and India. As Senior Consultant at Rashid and Dubai Hospitals, he pioneered the development of interventional pulmonology, setting new benchmarks in patient safety, advanced procedures, and departmental excellence. His expertise spans pulmonary medicine, intensive care, and sleep disorders, benefiting thousands through his commitment to clinical innovation and compassionate care. Dr. Vats's career includes distinguished tenures at premier academic and specialty hospitals, where he fostered multidisciplinary best practices and championed research and education in critical care. Repeatedly recognized as the UAE's Best Pulmonologist and Sleep Physician, he continues to inspire colleagues and future leaders with his tireless pursuit of medical excellence and devotion to patient-centered care.

ILIOUS ABDYL KAIM is the Managing Director of BECCO Build Earth Contracting LLC, based in Dubai, UAE. A forward-thinking leader in the construction sector, he is recognized for driving excellence, innovation, and reliability in project execution. With a strong focus on quality, sustainability, and client satisfaction, he continues to strengthen BECCO Build Earth Contracting LLC's reputation as a trusted name in the UAE's dynamic infrastructure and development landscape. BECCO Build Earth LLC exemplifies leadership and innovation in the construction and real estate sector, serving as a transformative force over 17 years. The company has evolved from manpower supply and interior decoration to a diversified conglomerate with regional expansion across Bahrain, Dubai, and Saudi Arabia, setting benchmarks in quality and sustainable building solutions. Renowned for its turnkey project management, BECCO delivers exceptional client satisfaction through comprehensive services in structural construction, steel frameworks, maintenance, and advanced MEP solutions. This award celebrates BECCO's dedication to eco-friendly practices, technological advancement, and customer-centric operations, all guided by core values of integrity, collaboration, and safety. Their ability to complete high-profile residential and commercial projects on time, coupled with strong industry partnerships and a global vision, underscores their role as a pioneer in innovative, quality-driven construction and real estate development.
