

# TRACELOCATE ANNOUNCES 99.79% CASE SUCCESS RATE

*person and asset tracing specialists  
celebrate near-perfect record.*

LONDON, UNITED KINGDOM,  
December 25, 2025 /

EINPresswire.com/ -- [TraceLocate](#) has achieved a 99.79% success rate for all asset or [person tracing](#) cases undertaken to date, it has announced today.

The statistic is an average figure across all instructions the company has received in its history - across all clients, and all case types.

Our industry can suffer on occasion with low hit-rates from 'no-win-no-fee' style organisations"

*Peter*

TraceLocate's founder and lead tracing consultant Peter said: "We're delighted to go on record to announce our near-flawless success rate - a statistic of which our entire organisation is deeply proud."

He continued: "Our industry can suffer on occasion with low hit-rates from 'no-win-no-fee' style organisations. But

we recognise our valued clients don't simply wish to avoid fees - they want tangible results."

He concluded: "We've long since been very confident that we at TraceLocate are leading the way in our industry, and it feels fantastic that we can now demonstrate this evidentially."
