CPL Naples Acquires Greenspire & Associates

NAPLES, FL, UNITED STATES, December 24, 2025 /EINPresswire.com/ -- CPL Naples, a leading provider of premium landscape, hardscape, irrigation, and site-work services in Southwest Florida, today announced the acquisition of Greenspire & Associates, a respected landscape services firm known for its design-forward approach and long-standing client relationships.

The acquisition further strengthens CPL Naples' position as a full-service landscape partner for residential communities, commercial properties, and private estates throughout Collier County and the greater Naples market.

"This acquisition aligns with CPL Naples' long-term growth strategy and our commitment to operational excellence," said David Shutts, Chief Operating Officer of CPL Naples. "Greenspire & Associates has earned a strong reputation for quality, professionalism, and client service. By integrating our teams, we are expanding our capabilities while maintaining the service standards and trusted relationships Greenspire's clients expect."

Greg Shanabarger, Founder of Greenspire & Associates, added, "After many years of building Greenspire & Associates, it was important to find a partner that shared our values, standards, and commitment to our clients and team. CPL Naples brings the operational strength, resources, and culture needed to support our clients long-term while honoring the relationships and quality we've built. I'm confident this partnership positions everyone for continued success."

Greenspire & Associates' existing clients will experience a seamless transition, with continuity of service by familiar team members and expanded access to CPL Naples' broader operational platform, including hardscape construction, irrigation systems, landscape lighting, drainage solutions, and large-scale enhancement projects.

What This Means for Clients

Continued service and relationship continuity

Expanded service offerings under one integrated platform

Increased operational capacity, scheduling reliability, and quality control

Access to CPL Naples' enhanced safety, training, and quality-assurance standards

What This Means for Employees

Long-term stability within a growing organization
Expanded training, leadership development, and career advancement opportunities
Integration into a safety-focused, performance-driven culture

CPL Naples noted that the acquisition is part of a disciplined growth strategy focused on partnering with high-quality firms that share a commitment to craftsmanship, professionalism, and client satisfaction.

“Growth for us is about alignment and execution,” Shutts added. “Greenspire & Associates is a strong cultural and operational fit, and together we are positioned to deliver an even higher level of service across Southwest Florida.”
