“

We are proud of all of our attorneys who were honored this year, and especially those recognized among the Top 100 and Top 50 Women lists for their exceptional professional achievements.”

Bennett De Jong Driscoll PC is proud to announce that 28 of its attorneys have been selected for the 2026 Maryland Super Lawyers distinction, with an additional 16 attorneys named to the 2026 Maryland Super Lawyers Rising Stars list, reflecting the firm's depth of legal talent and breadth of experience across practice areas.

Among those recognized, six Stein Sperling attorneys were named to the prestigious 2026 Maryland Super Lawyers Top 100 list, an honor reserved for the highest-ranked attorneys statewide: Julie B. Christopher, David S. De Jong, Matthew J. Pavlides, Karen N. Shapiro, Steven B. Vinick, Monica G. Harms.

In addition, four Stein Sperling attorneys were selected for the 2026 Maryland Super Lawyers Top 50 Women list, recognizing exceptional female attorneys practicing in Maryland: Julie B. Christopher, Ivonne Corsino Lindley, Karen N. Shapiro, Monica G. Harms.

Collectively, these recognitions underscore Stein Sperling's longstanding reputation for excellence and leadership in the legal profession. The firm's attorneys practice across a broad range of legal disciplines, including Business, Commercial Litigation, Construction, Employment, Estates, Trusts & Probate, Family Law, Intellectual Property & Technology, Personal Injury, Real Estate, Tax, and Valuation & Litigation Support.

Super Lawyers selections are determined through a rigorous, multi-phase process that includes independent research, peer nominations, and peer evaluations. Only five percent of attorneys statewide are named to the Super Lawyers list each year, with an even smaller percentage earning placement on the Top 100 and Top 50 Women lists. The Rising Stars designation is limited to attorneys who are 40 years old or younger or who have been in practice for 10 years or less, and no more than 2.5 percent of attorneys in a state receive the Rising Stars honor.

"The Super Lawyers distinction is particularly meaningful because it reflects peer recognition across the legal profession," said Stein Sperling CEO, Tara Mobley. "We are proud of all of our attorneys who were honored this year, and especially those recognized among the Top 100 and Top 50 Women lists for their exceptional professional achievements."
