“I am incredibly proud of our associates and the exceptional care they provide each and every day,” said Dawn Cohn, Executive Director of Addolorata Villa. “Earning a Five-Star CMS rating is a meaningful recognition of their dedication, compassion and commitment to excellence. It truly reflects the heart and expertise of our entire team of associates.”

According to CMS, the Five-Star Quality Rating System was created to help consumers, families, and caregivers compare nursing home communities. Each community receives an overall rating, as well as separate ratings for

health inspections, staffing and quality measures. The Nursing Home Care Compare website assigns ratings ranging from one to five stars, with five stars indicating much above average quality.
