Located at 24441 Tomball Pkwy, Ste 80, Tomball, TX, the Tomball campus will provide a blended learning model that combines online instruction with hands-on clinical training. This approach allows students to gain real-world experience while maintaining the flexibility needed to balance work, family, and education.

Houston Medical Assistant School has partnered with [Gameday Men's Health](#) – Northpointe, a leading men's health clinic known for providing personalized, high-quality care. Through this partnership, students will receive hands-on training in a professional clinical environment, gaining practical skills and exposure that prepare them for real-world medical settings.

"Our mission is to make high-quality medical education affordable and accessible," said Kendra Bradshaw, Houston Medical Assistant School's Program Manager. "By expanding into Tomball, we're creating new opportunities for students to change their lives and begin meaningful careers in healthcare."

Graduates of the program are prepared to support physicians and healthcare teams in clinics, medical offices, and specialty practices. The curriculum focuses on essential clinical and

administrative skills that employers value most, helping students transition confidently from training to employment.

Enrollment is now open!
