

# A Thoughtful Take on Everyday Dressing: Reistor's Relaxed Tee Set in Black & Blue

*Reistor's Relaxed Tee Set blends comfort, versatility, and eco-friendly modal fabric into a chic everyday co-ord, designed for travel, lounging, & on the go.*

INDIA, December 29, 2025

/EINPresswire.com/ -- [Reistor](#), a conscious fashion brand rooted in comfort, versatility, and mindful design, is getting into the spotlight with its much-loved Relaxed Tee Set, a thoughtfully designed pairing of a soft t-shirt and matching relaxed-fit pants, available in classic black and versatile blue. Designed for women with busy, layered days, Reistor's [Relaxed Tee Set in Black](#) reflects the belief that style and ease can coexist beautifully. Whether it's travel days, vacations, lounging at home, running errands, light workouts, or casual work-from-anywhere moments, this set is intentionally made for their eco-conscious community, wherever the day takes you.

Crafted from eco-friendly, low-impact materials, the set stands out for its comfy fit, super-soft hand feel, gentle stretch, breathable comfort, and easy silhouette. Being mindful in fashion means choosing outfits that are chic enough to wear out, comfortable enough to stay in, and adaptable enough to layer with jackets, shirts,

scarves, or wear across seasons; just what this set stands for.

### Key Highlights:

**Everyday Style and Versatility:** Reistor's community finds this set stylish, comfy, and an everyday favorite. Designed to be worn together or styled separately, this Relaxed Tee Set moves effortlessly from airport looks to coffee runs, vacations to lounging.

**Comfort-Led Design:** Mindful fashion shoppers unanimously agree that this set is soft, with the perfect amount of stretch, and non-restrictive, the set offers all-day comfort while maintaining a classic, sophisticated aesthetic.

**Eco-Friendly Modal Fabric:** Crafted from a consciously chosen, eco-friendly modal blend, the fabric is exceptionally soft, breathable, and gentle on the skin, designed to withstand repeated wear and multiple washes while staying comfortable and durable.

**Universally Loved:** With its comfortable fabric and timeless colors, the set has naturally found a place across different age groups, lifestyles, and personal styles within the Reistor community.

### What makes it stand out?

In addition to the black, Reistor even has a [Relaxed Tee Set in Blue](#). Both these sets embody their larger ethos: of choosing people and the planet above everything else. Each piece is ethically made in India by skilled artisans from underserved communities, supporting fair livelihoods in the process. Reistor follows low-waste production practices and prioritizes materials that pose minimal harm to the environment, reinforcing its commitment to creating fashion that is mindful at every step.

At its core, Reistor is about building a community, one that values conscious choices, mindful habits, and always feeling comfortable in what you wear. This Relaxed Tee Set is a reflection of that philosophy: stylish, eco-friendly, versatile, and designed with intention.

"Comfort has always been at the heart of how we design," shares Mehma, Creative Director and Co-founder of Reistor. "This set was made for our community; to bring ease into everyday life while still feeling stylish. From running errands and travelling, to work-from-home days, or even squeezing in a quick workout, we wanted something that simply fits. Our goal was to create an outfit that moves with real life, adapts to daily routines, and reflects the values our community cares about."

The relaxed tee set is available in classic black and versatile blue, both designed to be worn on repeat and stay versatile across seasons. For further details, visit [www.reistor.in](http://www.reistor.in)
