*Awards Recognize Achievements in Successful Customer Engagement Strategies*

SAN MATEO, CA, UNITED STATES, December 29, 2025 /EINPresswire.com/ -- OneSignal, the world's leading customer engagement platform, today announced the [winners of its third annual Customer Engagement Awards](#), "The Ennies." These

“

Our customers are some of the most inventive teams in the world, and this year's winners are proof of that."

*George Deglin*

awards celebrate the exceptional efforts and achievements of OneSignal users who have demonstrated unique customer engagement strategies and successful outcomes. OneSignal CEO & Co-Founder George Deglin shares, "Our customers are some of the most inventive teams in the world, and this year's winners are proof of that. Their commitment to meaningful, user-first

communication is what drives us to keep improving OneSignal. It's a privilege to build alongside them."

One in every five apps today launch using OneSignal, contributing to a user base of more than 2 million marketers, product managers, and developers, which gives OneSignal a comprehensive view of customer engagement strategies at scale.

The Customer Engagement Awards drew a wide range of nominations from OneSignal customers around the world, each demonstrating measurable impact across the customer lifecycle. This year's submissions showcased messaging that increased monthly activation by 67%, email programs with 30%+ open rates, and real-time mobile experiences delivered to millions of fans.

Entries were evaluated on creativity, effectiveness, and the ability to drive tangible results in several categories: Most Impactful Campaign, Best Customer Journey, Strongest Debut, Best Use of Live Activities, Best Activation Campaign, Most Impactful Use of In-App Messaging, Best Data Utilization and Best Omnichannel Engagement.

With 12B+ messages sent daily, 1M+ live apps, and 2M+ developers and marketers across 140+ countries plus 1 in 5 new mobile apps launching with OneSignal. OneSignal has a unique view into what actually drives lifecycle performance at scale.

Real results from the 2025 winners include:

Cashea redesigned its activation journey using prior notification interactions - raising monthly activation from 9% to 15% (and weekly activation from 6% to 9%) and achieving 42% early retention within 30 days after first purchase; an A/B test also drove a 4% lift among users who hadn't purchased in over a month.

Sky Mavis reported email performance with 30%+ open rates and 4%+ CTR across lists of 25K+ recipients, driven by clear design and focused CTAs.

MLB elevated real-time fan experiences with iOS Live Activities, including "Push to Start," which automatically launches a favorite team's Live Activity at warmup - built for speed, clarity, and zero friction.
