Important checklist for a Navy Veteran or individual seeking compensation who has mesothelioma or asbestos exposure lung cancer:

- * The Navy Veteran or individual must have been exposed to asbestos prior to 1983 in the armed forces or at their place of work.
- * The mesothelioma or lung cancer diagnosis must have been recent---preferably in the last one or two years.

- * The Navy Veteran's-Veteran's or individual's exposure to asbestos must have been substantial and must have involved exposure to asbestos involving more than one product. The ideal Veteran or individual who now has mesothelioma or asbestos exposure lung cancer is one who worked as a mechanic, machinist, assisted shipyard workers at a shipyard, worked as an electrician, welder, as a construction worker, plumber or pipefitter, or a member of a repair crew-maintenance crew.
- * The Navy Veteran-or individual must be able to get specific about how, where and when they

were exposed to asbestos-if they hope to receive the best possible financial compensation.
