

# Torry Harris Integration Solutions Earns Multiple Wins in Comparably's 2025 Rankings

*Torry Harris Wins three awards in Comparably's 2025 Rankings for Best Company Compensation, Best CEOs, and Best Company Culture*

BENGALURU, KARNATAKA, INDIA, December 31, 2025 /EINPresswire.com/ -- Torry Harris Integration Solutions (THIS) has received three 2025 Comparably Awards, recognizing the company for Best Company Compensation, Best CEOs, and Best Company Culture; based entirely on anonymous employee feedback collected over the past 12 months. Because Comparably's rankings are driven by employee sentiment, the recognition offers a real-world view of how teams experience workplace culture, leadership, and compensation practices.

'The Best Company Compensation' award reflects employee perceptions of pay competitiveness and fairness. 'Best CEOs' is informed by employee approval and confidence in executive leadership. 'Best Company Culture' captures sentiment across key workplace factors, including alignment with values, collaboration, growth opportunities, and overall work environment. The awards were published by Comparably across three consecutive days: Best Company Compensation (Tuesday, December 9), Best CEOs (Wednesday, December 10), and Best Company Culture (Thursday, December 11).

"Culture doesn't happen by accident, it's shaped by the choices we make every day as leaders and teams," said Shuba Sridhar, Vice President - Strategic Initiatives, Torry Harris Integration Solutions. "These recognitions reinforce our focus on building an environment where people feel respected, rewarded fairly, and connected to the work and values we share."

Comparably's annual awards reflect sentiment from millions of employees who anonymously rate their workplaces across culture and compensation metrics. Rankings are determined from employee feedback over a 12-month period, with no self-nominations.
