Unlike conventional portrayals, the film delves into Freud's personal experience as a [Jew](#) and outsider in Vienna, revealing the challenges that shaped his work and worldview. Using rare archival material, expert commentary, and a phantasmagorical animation style, the documentary offers a fresh and intimate portrait of the man behind psychoanalysis.

Already awarded 12 international prizes, translated into 12 languages, and screened in 18 countries, Qedar's extraordinary animated film now embarks on a global screening tour in countries including Germany, the United States, China, France, and others. Audiences worldwide are invited to experience this unique, vividly animated vision of Freud's personal and cultural journey.
