

Mark Slapinski Launches Much Awaited Spotify Channel

Canada's most trusted political commentator is now on Spotify!

TORONTO, ONTARIO, CANADA, January 3, 2026 /EINPresswire.com/ --

Conservatives now have access to Canada's most trusted political commentator on [Spotify](#), the world's most popular audio streaming app.

For too long, there has been a void in talent in the political commentary world. A lot of commentators can talk for hours and say nothing of value.

Now Conservatives have the ability to listen (and to watch) someone intelligent who gets to the point, and is not afraid to say what needs to be said.
