

FREESTYLE DIGITAL MEDIA RELEASES THRILLER "NOBODY WANTS TO SHOOT A WOMAN"

Noir Thriller Debuts on North American VOD Platforms on January 2, 2026

LOS ANGELES, CA, UNITED STATES, January 2, 2026 /EINPresswire.com/ -- Freestyle Digital Media, the digital film distribution division of Byron Allen's Allen Media Group, has just released the noir

thriller movie **NOBODY WANTS TO SHOOT A WOMAN**, which is now available to rent/own on North American digital HD internet, cable, and satellite platforms starting January 2, 2026.

“Women don’t end up in crisis because they’re reckless--the path society gives them is narrow, underfunded and poorly lit. **NOBODY WANTS TO SHOOT A WOMAN** is about a mother who dares to walk it anyway.”

Filmmaker Kerry Ann Enright

NOBODY WANTS TO SHOOT A WOMAN tells the stark, intimate, yet unsentimental story of a mother who embraces a violent crime spree as a means for survival. After her husband’s murder, Mary attempts to secure her son’s stability despite societal scorn and her own moral conflict. She navigates a perilous path, determined to shield her child from chaos. In her struggle for survival, bonds of love and loyalty are tested. This film is about a

woman against all odds, trying to find a way to survive in a world where motherhood, misogyny, crime, and independence meet. **NOBODY WANTS TO SHOOT A WOMAN** is a noir crime drama set on the streets of New York City brought to life by an all-female team that includes writer/director Kerry Ann Enright, producer Cheyanne Kane, and lead actor Tina Benko. The creators aspired to pay homage to the great crime films set in New York City.

Written and directed by Kerry Ann Enright, **NOBODY WANTS TO SHOOT A WOMAN** was produced by Enright and Cheyanne Kane. Featured actors include Tina Benko ('Mary'), Max Casella ('Eddie') and Lev Gorn ('John').

“Women don’t end up in crisis because they’re reckless - they end up there because the path society gives them is narrow, underfunded and poorly lit,” said filmmaker Kerry Ann Enright. “**NOBODY WANTS TO SHOOT A WOMAN** is about a mother who dares to walk it anyway.”

Freestyle Digital Media negotiated a deal to acquire NOBODY WANTS TO SHOOT A WOMAN directly with the filmmakers.
