

Mike Field Releases Official Lyric Video for 'Mechanic' from Award-Winning Album True Stories

Indie- and punk-inflected rock meets trumpet-driven storytelling in a lunar sci-fi lyric video.

TORONTO, ONTARIO, CANADA, January 7, 2026 /EINPresswire.com/ -- Multi-talented musician and composer Mike Field has released the official lyric video for his track "Mechanic," a high-energy rock song with indie and punk influences, enriched by trumpet lines that reflect Field's jazz background. The song appears on his acclaimed 2018

album True Stories, which earned both the Worldwide Independent Music Award for Best Jazz Producer and the Toronto Independent Music Award for Best Jazz Song with Vocals.

"Mechanic" tells the story of a moon-based mechanic who fixes rocket bikes for a living, blending imaginative storytelling with driving rock instrumentation and cinematic soundscapes. The track highlights Field's strength in narrative songwriting and genre-blending arrangements, offering a distinctive sound that bridges rock energy with unconventional instrumental textures.

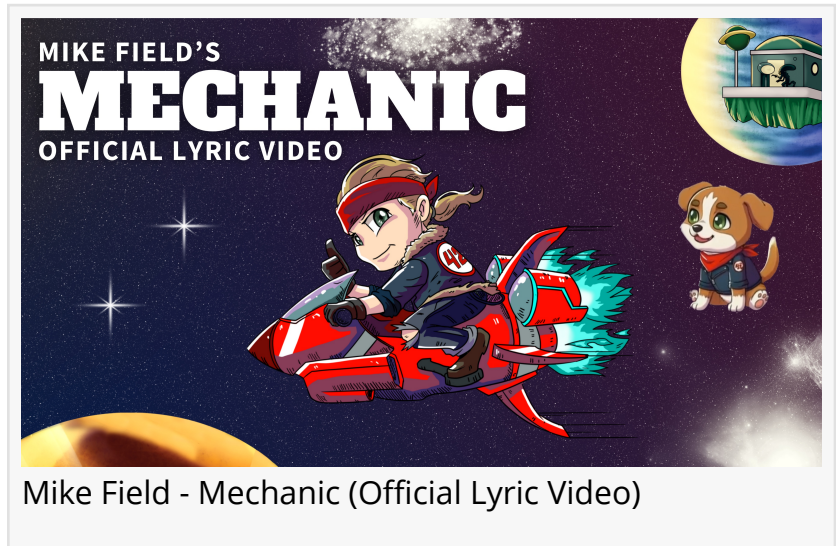

The official lyric video, created by Mike Field, brings the song's lunar world and characters to life, immersing viewers in the story while emphasizing the dynamic interplay of trumpet, guitar, and rhythm.
