

Shale Oak Winery Hosts Stargazing Party Under Paso Robles' Dark Skies

Award-Winning Sustainable Winery Combines Astronomy with Wine for Unique Evening Experience

PASO ROBLES, CA, UNITED STATES, January 6, 2026 /EINPresswire.com/ -- [Shale Oak Winery](#) invites astronomy enthusiasts and wine lovers to an enchanting evening under the stars on Friday, February 28, 2026, from 6:00 PM to 8:00 PM. This special Stargazing Party offers guests a rare opportunity to explore the night sky through high-quality telescopes while enjoying award-winning wines at one of Paso Robles' premier eco-friendly wineries.

Set against the backdrop of Shale Oak's LEED Gold Certified tasting room and sustainable landscape, the event

combines celestial exploration with the winery's commitment to environmental stewardship. Attendees will receive expert guidance from professional astronomers, fascinating stories about the universe, and one complimentary glass of wine from Shale Oak's selection of limited-production varietals and blends.

“

This event perfectly aligns with our philosophy of connecting people to the natural world.”

said Curtis Hascall, Head Winemaker at Shale Oak Winery

Located in the Willow Creek District of Paso Robles at 3235 Oakdale Road, Shale Oak Winery has earned recognition for both its sustainable farming practices and its award-winning wines crafted by winemaker Curtis Hascall. The winery's two vineyards, totaling over 70 acres, are farmed using sustainable practices with careful attention to energy efficiency, water conservation, and habitat preservation. Event Details:
