

Hanzo named 'IP Management Solution Provider of the Year' By LegalTech Breakthrough

Company proud to receive "IP Management Solution Provider of the Year" award for its Hanzo Chronicle platform at the 6th Annual LegalTech Breakthrough Awards

PORTLAND, OR, UNITED STATES, January 6, 2026 /EINPresswire.com/ -- [LegalTech Breakthrough](#), a leading independent market intelligence organization that evaluates and recognizes standout legal technology companies, products, and services around the globe, today announced that [Hanzo](#), the leading innovator in AI-powered legal data management, has been awarded "IP Management Solution Provider of the Year" in the 6th annual LegalTech Breakthrough Awards program.

“

Today, a company's most valuable IP doesn't sit in a vault. It lives across the digital tools teams use every day.”

Sarai Schubert, CEO of Hanzo

In an era where intellectual property increasingly lives in digital form, Hanzo helps organizations preserve, analyze, and defend their IP with the same rigor once reserved for traditional assets. From web content and social media to complex collaboration SaaS tools, Hanzo empowers legal and compliance teams to build an irrefutable system of record for the digital experiences and data that define brand value, product innovation, and regulatory readiness.

At the heart of this approach is [Hanzo Chronicle](#), which enables organizations to capture and preserve dynamic, interactive content across websites, social platforms, and cloud-based collaboration systems. This technology ensures that every claim, disclosure, and digital interaction can be verified, reproduced, and defended with full legal defensibility and contextual accuracy.

"Today, a company's most valuable IP doesn't sit in a vault. It lives across the digital tools teams use every day," said Sarai Schubert, CEO of Hanzo. "We built Hanzo Chronicle to help legal and compliance teams protect that value by preserving digital experiences in their true, dynamic and interactive form."

Being recognized as 'IP Management Solution Provider of the Year' is an honor and a validation of our mission to make IP defensibility in the digital world not just possible but practical. We will continue to push the boundaries of what is possible in data preservation, AI analysis and compliance intelligence."

"Hanzo Chronicle is redefining IP governance, giving legal and compliance teams a smarter and more reliable way to preserve and manage digital IP," said Bryan Vaughn, Managing Director of LegalTech Breakthrough.

"By capturing live digital content with unmatched fidelity and legal defensibility, Hanzo has set a new standard for digital evidence that eliminates uncertainty and empowers organizations to protect their brands with confidence."

The LegalTech Breakthrough Awards celebrate excellence across the global legal technology ecosystem, including AI-driven research, document automation, compliance, data management, and digital preservation. The program spotlights companies that drive efficiency, transparency, and accountability across the modern legal landscape.
