

Commercial Recreation Specialists Celebrates Wubit's 2025 IAAPA Brass Ring Award for Best New Water Park Attraction

VERONA, WI, UNITED STATES, January 15, 2026 /EINPresswire.com/ -- As the exclusive U.S. distributor of Wubit Sports, [Commercial Recreation Specialists](#) (CRS) celebrates Wubit's 2025 IAAPA Brass Ring Award for Best New Water Park Attraction – the [Wave](#) inflatable slide.

What is the 2025 IAAPA Brass Ring Award?

The IAAPA Brass Ring Awards recognize innovation and excellence across the global attractions industry, with winners selected by industry professionals based on originality, impact, and execution.

About the Wubit Wave Inflatable Slide

The [award-winning Wave](#) is a large-scale inflatable slide designed to create a striking visual presence while enhancing sliding experiences in aqua parks. Standing approximately 16.4 feet tall with a 49-foot slide length, the Wave's curved form provides a longer, faster ride. A conveniently positioned reboarding stairway near the slide exit supports smoother throughput and guest flow.

The Wave is fully compliant with DIN EN ISO 25649 safety standards and TÜV certified, reflecting Wubit's commitment to delivering thrilling yet safe experiences.

Wubit has since introduced a mirrored version of the Wave, expanding the original design to allow parallel rider experiences. This next iteration of the Wave concept is currently available for pre-order.
