COLOMBO, WESTERN PROVINCE, SRI LANKA, January 8, 2026 /EINPresswire.com/ -- [Sri Lanka Photography Tour](#): An Exclusive 13-Day Photography Expedition Through Your Lens

Laurent Dambies reveals his upcoming photo expedition to Sri Lanka, a meticulously crafted 13-day photography tour scheduled for April 14-26, 2026.

A Photography Adventure Beyond the Postcard  
This intimate photography tour delivers 11 full days of shooting across 6 thoughtfully chosen destinations spanning Sri Lanka's most enchanting landscapes and genuine cultural treasures. Guided by photographer Laurent Dambies, who has invested years exploring the island since 2019, this immersive experience ventures well beyond the crowded tourist circuits to authentic locations where Sri Lanka's true essence comes alive.

From the vibrant markets of Colombo and Kandy to remote coastal villages where fishermen maintain age-old traditions, from the emerald tea plantations to centuries-old Buddhist sanctuaries and wildlife-abundant national parks—this tour captures the complete tapestry of Sri Lankan splendor and heritage.

### Why Sri Lanka, Why Now

Sri Lanka stands as one of Asia's most compelling photography destinations. This multicultural island—where Buddhism, Hinduism, Islam, and Christianity flourish side by side—presents photographers extraordinary opportunities to document diverse traditions, ceremonies, and daily life. The island's compact geography contains remarkable diversity: dramatic highlands, pristine coastlines, ancient archaeological wonders, wildlife reserves, and some of Asia's most picturesque tea estates.

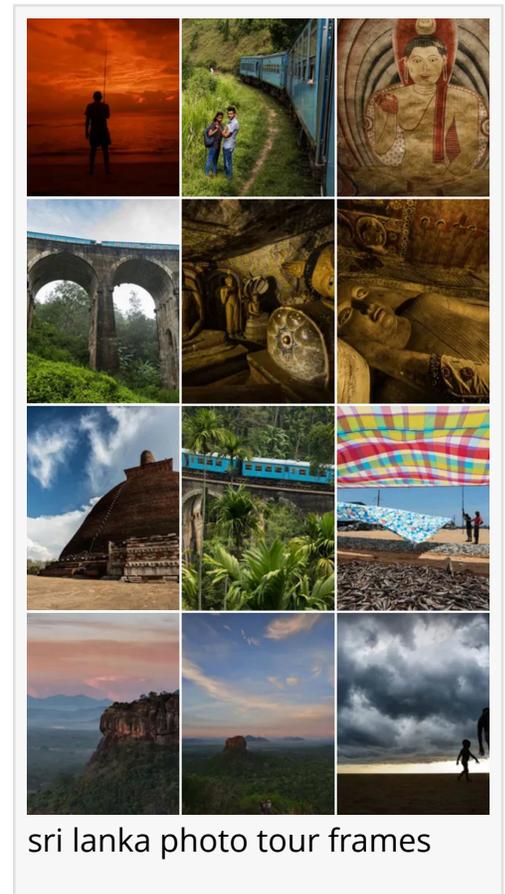

With tourism flourishing in 2026, this is the perfect moment to experience Sri Lanka while it remains approachable, yet equipped with all the infrastructure and hospitality that ensure a seamless and enriching journey.
