

Live Hydration Spa Announces Grand Opening of New Location in Cary, North Carolina

A new physician-guided IV hydration and wellness destination opens in the Triangle.

CARY, NC, UNITED STATES, January 8, 2026 /EINPresswire.com/ -- [LIVE Hydration](#) Spa is officially opening its newest location in Cary, North Carolina on Thursday, January 8 and will hold a grand opening event for the community on Friday, February 13. The woman-owned wellness destination brings a premium, medically guided approach to [IV hydration](#), vitamin therapy, and personalized wellness care to one of the Triangle's fastest-growing communities.

Located at 683 Cary Towne Blvd., Suite C, LIVE Hydration Spa Cary offers IV hydration and wellness therapies designed to support hydration, energy, endurance, immunity, recovery, and beauty, all delivered in a relaxing, spa-like environment by trained medical professionals.

“

Whether you're training hard, managing a busy schedule, supporting your immune system, or focusing on longevity, we want LIVE Hydration Spa to feel like your trusted wellness partner”

*Dr. Annika Webb, MD Owner
Live Hydration Spa Cary*

“Our mission is to make proactive wellness feel simple, safe, and personalized. Whether you're training hard, managing a busy schedule, supporting your immune system, or focusing on longevity, we want LIVE Hydration Spa to feel like your trusted wellness partner,” said Dr. Annika Webb, MD, Owner of Live Hydration Spa Cary. “I am excited to invite the Cary community to celebrate our grand opening with us on February 13. Please join us for food, fun, and great specials to help you hydrate and live limitless!”

LIVE Hydration Spa Cary provides science-guided care, personalized for every lifestyle and helps clients build intentional wellness routines across four core areas.

Performance & Energy

Support stamina, recovery, and optimization for athletes and active adults.

Wellness & Immunity

Hydration and nutrient support designed to help fight fatigue and strengthen resilience.

Beauty & Longevity

Treatments focused on glow, confidence, and healthy aging from the inside out.

Medical & Science-Driven Care

Doctor-guided protocols, clinical oversight, and safety-first wellness support.

Every treatment is medically supervised and customized to individual needs, empowering clients to make informed choices about their wellness journey.

“Science you can feel. Care you can trust.” reflects LIVE Hydration Spa’s commitment to both clinical credibility and compassionate service.
