

AxioAero Group Acquires Airway Aerospace LLC

AxioAero Group, a new aviation-focused holding company, announced the acquisition of Airway Aerospace LLC, a Florida FAA, EASA, CAA UK-certified repair station.

SOUTH, FL, UNITED STATES, January 7, 2026 /EINPresswire.com/ -- [AxioAero Group](https://www.einpresswire.com/axioaero-group) ("AxioAero"), a newly formed aerospace and aviation-focused holding company, announced today the acquisition of Airway Aerospace LLC ("Airway" or the "Company"), a Florida-based FAA, EASA, and CAA UK-certified repair station. Airway represents AxioAero's second acquisition, joining Aviation Concepts, LLC acquired in January 2024. The acquisition marks AxioAero Group's commitment to building a portfolio of agile, customer-centric businesses serving critical segments of the aerospace aftermarket.

An AxioAero Group Company

Airway, founded in 2013, provides maintenance, repair and overhaul (MRO) services focused on accessories, airframe, and powerplant repairs across commercial, cargo, and defense aviation markets. With FAA, EASA, and CAA UK repair station certifications, RS-DER repair authority, and Owner-Produced Parts capabilities, the Company offers in-demand component repairs specializing in hydraulics, pneumatics, fuel systems, flight controls, thrust reversers, nacelles, and fixed-wing structures. The Company serves a diverse range of aircraft platforms including narrow-body (Boeing 737, Airbus A320 family), wide-body (Boeing 747/767, Airbus A300/A330), and Boeing 707 military variants. Operating from its two facilities in Doral, Florida, Airway has built long-standing customer relationships by offering fast, adaptable solutions and technical experience.

Airway will continue to operate under its own name and current leadership. The acquisition by AxioAero supports Airway's ongoing growth while ensuring the Company retains its core identity, culture, and small-business agility.

Joe Ferrer, owner of Airway, said, "For more than a decade, we've taken pride in building Airway into a trusted repair partner known for reliability, responsiveness, and a commitment to quality. Our success is driven by the dedication of our team and the strong relationships we've built with customers over the years. We view AxioAero Group as the ideal partner to support our continued growth while maintaining the standards and values that define Airway."

An AxioAero Group Company

“

The acquisition of Airway Aerospace marks an important step in AxioAero's strategy to build a differentiated platform in the aerospace aftermarket."

Matt Haugk, CEO of AxioAero Group

Matt Haugk, CEO of AxioAero Group, said, "The acquisition of Airway Aerospace marks an important step in AxioAero's strategy to build a differentiated platform in the aerospace aftermarket. Airway's strong technical expertise, reputation for quality, and customer-focused approach align perfectly with our vision of building a differentiated aerospace platform. Together, we will continue to expand capabilities and deliver value to customers worldwide."
