

Addiction Treatment Long Island: Integrity Treatment Partners Celebrates First Year Milestone

Milestones Include Top-Tier 3-Year Accreditations from OASAS and The Joint Commission, Staff Growth to Over 20 Counselors, and Expanded MAT Options

LONG ISLAND, NY, UNITED STATES, January 7, 2026 /EINPresswire.com/ -- Integrity Treatment Partners, a leading provider of outpatient addiction

treatment on Long Island, today celebrates its first 12 months of operation since its soft opening on November 4, 2024. In just over a year, the OASAS-licensed clinic has established itself as a trusted resource for substance abuse treatment on Long Island, earning the highest possible accreditations and expanding services to meet growing community needs.

“

This one-year milestone at Integrity Treatment Partners feels deeply personal. We've built a place where Integrity drives every step of our addiction treatment program on Long Island.”

Josh Goldfeder, Owner

Located at 2250 Grand Ave in Baldwin, NY, Integrity Treatment Partners specializes in evidence-based outpatient drug rehab on Long Island and outpatient alcohol rehab on Long Island. The clinic offers flexible Intensive Outpatient Programs (IOP) on Long Island, standard outpatient care, dual diagnosis treatment for co-occurring mental health disorders, and comprehensive support for individuals seeking long-term recovery.

Key achievements in the first year include:

Earning a 3-year recertification from the New York State Office of Addiction Services and Supports (OASAS), the highest level of state certification possible for addiction treatment providers.

Receiving 3-year accreditation from The Joint Commission, recognized with the Gold Seal of Approval® for commitment to safe and effective care.

Growing the clinical team to more than 20 dedicated counselors and professionals, enabling expanded capacity for individualized care.

Enhancing Medication-Assisted Treatment (MAT) offerings, including Suboxone, Sublocade, Vivitrol, and Brixadi. The clinic is particularly proud to provide Brixadi, a newer extended-release buprenorphine option that serves as a popular and effective alternative to Sublocade and Suboxone for managing cravings and supporting recovery.

Specializing in DUI and DWI evaluations and treatment, with OASAS- and DMV-approved assessments that help clients regain driving privileges while addressing underlying substance use issues.

"Reaching this one-year milestone is a testament to our team's unwavering commitment to integrity in every aspect of care," said John Anderson, Founder and Owner of Integrity Treatment Partners. "From our outpatient rehab programs on Long Island to our specialized DUI/DWI services and advanced MAT options like Brixadi, we've focused on delivering compassionate, evidence-based addiction treatment that rebuilds lives. Achieving the highest 3-year accreditations from both OASAS and The Joint Commission validates our approach, and we're grateful to serve Nassau County communities with hope and healing."
