

Versique Expands IT Practice with Launch of Interim Solutions Platform

MINNEAPOLIS, MN, UNITED STATES, January 8, 2026 /EINPresswire.com/ -- Versique Executive, Professional & Interim Recruiting announced the launch of its IT Interim Solutions division, formally expanding its Information Technology Solutions practice to include interim, contract, and project-based IT talent across Minnesota and beyond.

The IT Interim Solutions division will be led by [Sarah Lewis](#), Vice President of IT Solutions, who will oversee the development and growth of interim IT services. The offering is designed to help organizations quickly access experienced technology leaders and specialists to support transformation, cybersecurity, systems implementation, and other critical initiatives.

"As organizations face constant change, they need experienced interim leaders who can step in across the business," said Tony Sorensen, CEO of Versique. "Adding IT Interim Solutions completes our interim portfolio alongside HR and Finance & Accounting, reinforcing our consulting roots and delivering the flexible talent today's organizations demand."
